12. List the month that can be found between Mike and Oscar.
13. Often, labels in the European Union use these numbers instead of names to describe food additives.
14. Crew necks and short sleeves typify this piece of apparel.
15. A comic book baddie who was once a mutated turtle, but then was put in a machine by aliens, giving him both super intelligence and a British accent.
16. This is shared by Waldstein, Dissonance, Linz and Jupiter.
17. In Germany and Scandinavia, the note a semitone below C is called what?
18. On the occasion of a speech made at a Board of Education dinner, Sir William Curtis, son of a sea biscuit manufacturer, is said to have defined three of these.
19. Needles, cyclones, London and some cheeses have these.
20. I am a collection of letters that denotes the female of a species or occupation, or a strategy which, if adopted by a population in a given environment, cannot be invaded by any alternative strategy that is initially rare.
21. Novelist Victor Pelevin's shortest (non-numerical) title.

When playing iustly, so to speak, it is
 iudicious to iust work around a certain, surplus
 letter. This allows 26 to be reduced by 1.

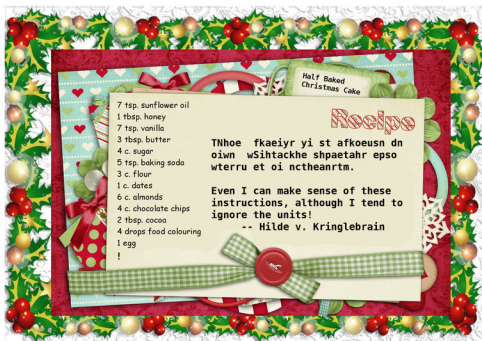

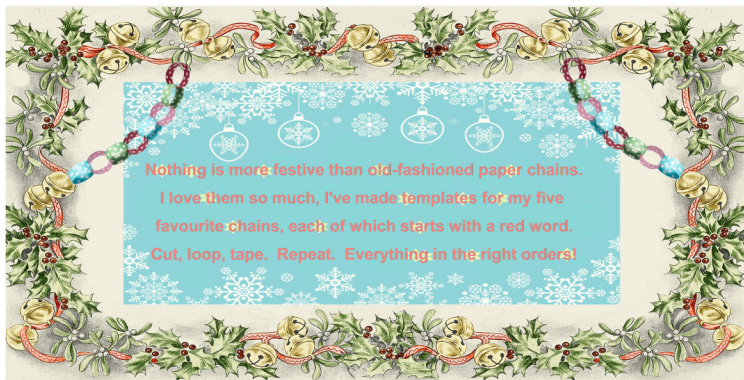

Just in case you wanted to know, a ladder is a technique for capturing stones in the game of Go. In Japanese, it is called 'shicho'.

22. The codename for the head of the Secret Intelligence Service according to Ian Fleming is what?
23. Hester wore what on her dress?
24. Eh? Is this novel by Doug Dorst or John Updike?
25. Axl's ex-partner, who might have been called Virgule or Separatrix in other contexts.
26. Nerdy Elite Penguin Force agent who drinks coffee, eats fish pizza with extra cheese and anchovies, and wears a lab coat.
27. State, in short, where you'd be if you wanted to visit Oxford, Athens, Cambridge, Kent, Kettering, Lebanon, Reading and Vienna without crossing a border.
28. What racy mark is half the width of Mike, stands in for 'to' or 'through', and can often be seen between numbers, dates and times?
29. Elizabeth II stipulated that this key be used for the Royal Anthem in Canada.
30. Rosebuds, Crows, and Regents share what name on their covers?
31. So: it's the fifth in English but also the most common, even though it didn't appear once in a void.

A Merry Christmas Medley

The shepherds at those tidings
Rejoiced much in mind,
And left their flocks a-feeding,
In tempest, storm, and wind.

They looked up and saw a star
Shining in the East beyond them far,
The wrong shall fail, the right prevail,
With peace on earth, good will to men.

Call up the Butler of this house,
Put on his golden ring;
Let him bring us a glass of beer,
And the better we shall sing.

Up on the housetop reindeer pause,
Out jumps good old Santa Claus.
Down through the chimney with lots of toys,
All for the little ones, Christmas joys.

Hail the Heaven-born Prince of Peace!
Hail the Sun of righteousness!
His droll little mouth was drawn up like a bow,
And the beard of his chin was as white as the snow;

This Star drew nigh to the North West;
O'er Bethlehem it took it's rest.
And there it did both stop and stay,
Right over the place where Jesus lay.

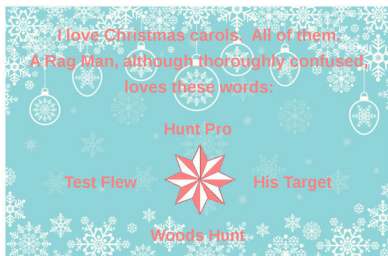

From the eastern mountains, pressing on, they come,
Wise men in their wisdom, to His humble home;
Up on the housetop, click, click, click.
Down through the chimney with good Saint Nick.

Away in a manger, no crib for His bed,
The little Lord Jesus laid down His sweet head;
The stars in the heavens looked down where He lay,
The little Lord Jesus asleep on the hay.

And then, in a twinkling, I heard on the roof
The prancing and pawing of each little hoof.
As I drew in my head, and was turning around,
Down the chimney St. Nicholas came with a bound.

O star of wonder, star of night,
Star with royal beauty bright.
Westward leading, still proceeding,
Guide us to thy perfect light.

In the meadow we can build a snowman
And pretend that he's a circus clown
We'll have lots of fun with mister snowman
Until the alligators knock him down.

Have a holly jolly Christmas
And when you walk down the street
Say Hello to friends you know
And everyone you meet.

While shepherds watched their flocks by night,
All seated on the ground,
The angel of the Lord came down,
And glory shone around.

Star of the East, thou hope of the soul
While round us here the dark billows roll
Lead us from sin to glory afar
Thou star of the East, thou sweet Bethlehem's star

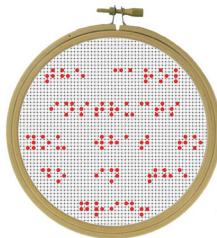

Away to the window I flew like a flash,
Tore open the shutters and threw up the sash.
So up to the house-top the coursers they flew,
With the sleigh full of toys, and St. Nicholas too.

From the Eastern kingdoms
Come the wise men far.
Bearing ancient treasure,
Following yonder star.

Said the night wind to the little lamb,
Do you see what I see?
Way up in the sky, little lamb,
Do you see what I see?

The north wind is tossing the leaves.
The red dust is over the town;
The sparrows are under the eaves,
And the grass in the paddock is brown;

Snowin' and blowin' up bushels of fun,
Now the jingle hop has begun.
Now bring us some figgy pudding,
And bring it right here!
